# Forenzičarka iz kemijske čistionice i električar kirurg

O gospodi iz kemijske čistionice iz svoje ulice već sam pisala. Ima još. Neki dan odnijela sam joj na čišćenje bluzu i pokazala neku mrljicu o kojoj pojma nisam imala od čega je ni kako se tamo našla. Ona ju je pažljivo gledala i razvijala teoriju od čega bi mogla biti, jer se drukčije čisti mrlja od krvi, drukčije od ovoga, drukčije od onoga. Boja je takva i takva, boja se mijenja pod utjecajem ovoga ili onoga... Ja to ne znam ni ponoviti. Ali ona je znala sve. Rekla sam joj da je prava forenzičarka. Svidjelo joj se.

Prije više godina pokvarila mi se električna grijalica, već prilično stara i izlizana. Ne odustajem lako ni od ljudi ni od stvari i zamolila sam svog električara da je pogleda. On je bio vrlo pristojan i nije komentirao ni izgled ni starost moje grijalice, nije rekao da je bacim u smeće, nego se on bacio na posao. (Ion je iz vremena kad su se stvari popravljale, a ne bacale.) Cijelu ju je rastavio, poslagao sve žice i šarafice i s beskrajnim strpljenjem stao spajati neke žičice. Rekla sam mu da se ponaša kao pravi kirurg. Svidjelo mu se.

Mogla bih i o frizerki koja zna sve o kosi čim je vidi: je li gusta, rijetka, suha, masna, kruta, podatna, prima li boju brzo ili polagano, kako će reagirati, na koji je način treba šišati ili češljati i uopće što joj mora napraviti da bi dobila željeni oblik. Moram joj reći da je prava šaptačica kosi.

Takvih je majstora još. Rijetki su i utoliko dragocjeniji.

I kakve sad veze imaju čistioničarke, električari, frizerke i ini majstori svog zanata s lutkarskim predstavama i PIF-om? Velike. Na PIF-u predstavljamo majstore lutkarskog zanata. Pri čemu, kad kažem zanat, mislim na majstorstvo najvišega stupnja.

Na ovogodišnjem PIF-u predstave se bave najrazličitijim temama: pobjedom nad smrću prepariranjem (?), sveprisutnim ratovima, čovjekom rodom, razbojnikovom kćeri, zemljom papira i knjiga, sifovskim poslom pronalaženja samoga sebe, letećom kućom, gruzijskim rodoljubljem, slonićem koji je zaljubljen u žabu i u kišu, lanetovim odrastanjem, izbjeglicama, stvaralačkom krizom, tajnim vrtom koji liječi rane u duši dvoje nesretne djece, vukom koji voli kolače, a ne žilave bake, nestošnom pčelicom koja postaje odgovorna pčela, trijumfalnom pobjom nad Zlom Neslogom, zgodama i nezgodama snalažljivog Petrice Kerempuha, čak i životom u Jugoslaviji.

Pritom uz klasične lutke u predstavama možemo vidjeti i originalne preparirane životinje, dokumentarce, kazalište predmeta, kazalište sjena, crno kazalište, animaciju u troje, suigru glumca i lutke na različite načine.

Možda će se neke od predstava učiniti kontroverznima. Ali neću reći koje!

Ono što se dugo nije dogodilo na PIF-u, a što mu ove godine daje posebnu boju, okus, miris i čar, jest zamjetna prisutnost hrvatskih lutkarskih predstava. Već ih dugo nije bilo u tolikom broju toliko dobrih! Dokaz je to da se i u našem lutkoglumištu rađaju majstori kojima nije teško „spajati žičice“ ma koliko trajalo da se nađe pravi spoj. Nije im teško danima istraživati kako da lutka animirana u troje uvjerljivo sjeda, hoda i diše, a svaki od animatora osjeća drugu dvojicu i spreman je unaprijed predviđjeti njihove kretnje. Nije im teško napraviti stančić po mjeri lutke i opremiti ga malenim sudoperom i slavinom iz koje teče prava voda, malenim hladnjakom u kojem su mrkvice, mlijeko i jaja, malenim računalom, malenim čajnikom... i još bezbrojem malenosti koje izazivaju velik dojam. Nije im teško danima intervjurati roditelje, djedove i profesore o životu u bivšoj državi i mukotrpno raditi na vrlo zahtjevnoj dramaturgiji. Nije im teško istražiti izbjegličku krizu, udisati pjesak i gurati lice u blato, jer – imaju „volju bagera“. Sve je više glumaca lutkara, a polako i lutkarskih redatelja koji neštedimice ulažu fizičke i psihičke napore da bi ostvarili predstavu kakvu želete i pritom su sretni, kao, uostalom, i publika, čak i onda kad joj u slapovima teku suze.

O jednoj takvoj redateljici kritičarka Olga Vujović kaže: „Pri tome ona ne štedi ni sebe, ni glumce, ni publiku, njezini postupci su jasni i beskompromisni i, koliko se sjećam, nikad joj nije bilo teško zavrnuti rukav i išcupati nam srce.“<sup>1</sup>

# A Forensic Scientist From a Dry-Cleaning Shop and an Electrician Surgeon

I have already written about the lady from the dry-cleaning shop on my street. There's more. The other day, I brought her a blouse to be cleaned and showed her a stain about which I had no idea what it was or how it got there. She looked at it carefully and started developing a theory of what it could be because different stains should be cleaned differently. The colour is such and such; it changes under the effect of this or that... I wouldn't even know how to repeat it. But she knew everything. I told her she was a real forensic scientist. She loved it.

Years ago, my electric heater, already quite old and worn out, broke down. I don't give up easily on people or things, so I asked my electrician to take a look. He was very polite and did not comment on the appearance or age of my heater; he did not advise me to throw it in the trash. Instead, he started working on it. (He's also from a time when things would get fixed, not thrown out.) He took the entire thing apart, arranged all the wires and screws and, with endless patience, began to connect some wires. I told him he was acting like a real surgeon. He loved it.

I could also talk about a hairdresser who knows everything about hair as soon as she sees it: whether it is thick, thin, dry, oily, stiff, or supple, whether it will colour quickly or slowly, how it will react, how it should be cut or combed, and what she needs to do to get the desired shape. I must tell her that she is a real hair whisperer.

There are more such masters. They are rare and all the more precious.

You must be wondering what cleaners, electricians, hairdressers, and other masters of their craft have to do with puppet shows and PIF. Quite a lot. At PIF, we present the masters of the puppetry craft. And when I say craft, I mean mastery of the highest degree.

At this year's PIF, performances deal with a wide variety of topics: victory over death by taxidermy (?), ubiquitous wars, a man stork, the robber's daughter, the land of paper and books, the Sisyphean task of finding oneself, a flying house, Georgian patriotism, an elephant in love with the frog and the rain, a fawn growing up, refugees, a creative crisis, a secret garden that heals the wounds in the soul of two unfortunate children, a wolf who loves cakes and not tough grandmothers, a mischievous bee who becomes a responsible bee, the triumphant victory over Evil Disagreement, the adventures and misfortunes of the resourceful Petrica Kerempuh, and even life in Yugoslavia.

In addition to classic puppets, we can see taxidermied animals, documentaries, object theatre, shadow theatre, black theatre, three-person animation, and actors and puppets playing off each other in different ways.

Perhaps some of the performances will seem controversial. But I won't say which ones!

What has not happened at PIF for a long time and gives it a special colour, taste, smell and charm this year is the noticeable presence of Croatian puppet shows. There haven't been so many good ones in a long time! This proves that even our puppet theatres give birth to masters who do not find it difficult to "connect the wires," no matter how long it takes to find the right connection. It is not difficult for them to spend days exploring how to make a three-person animated puppet convincingly sit, walk and breathe while each animator feels the other two and is ready to anticipate their movements. They do not find it difficult to make a small apartment tailored to the puppet and equip it with a small sink and tap with real running water, a small refrigerator with small carrots, milk and eggs, a small computer, a small teapot... and countless other small things that make a big impression. It is not difficult for them to interview parents, grandparents and professors for days about life in the former state and to work painstakingly on very demanding dramaturgy. It is not difficult for them to investigate the refugee crisis, breathe sand and stick their face in the mud because they have the "will of an excavator." There are more and more puppet actors and puppet directors who unwaveringly invest physical and psychological efforts to achieve the performance they want and are happy doing so, as is the audience, even when their tears flow like waterfalls.

The critic Olga Vujović said the following about one such director: "She does not spare herself, the actors, or the audience. Her actions are clear and uncompromising, and, as far as I remember, it was never difficult for her to roll up her sleeves and rip our hearts out."<sup>1</sup>

Što je unutarnja sila koju nazivamo životom? Kakav je život? Kako razumjeti fenomen i način postojanja i njegovu suprotnost – smrt? I na kraju, što znači oduzeti ovaj život? U viktorijansko doba prepariranje, umjetnost očuvanja životinjskih tijela, steklo je popularnost uglavnom kao posebnost i simbol prestiža ili kao moderan dekor za visoko društvo prerušen u znanost. Do danas je ovaj oblik umjetnosti razvio različite izraze koji nadilaze svoju izvornu svrhu, a to je bio prikaz prirode u njezinoj naturalističkoj dimenziji. Taksidermija može poslužiti kao metafora za ljubav prema prirodi. Ali može poslužiti i kao metafora za društveno licemjerje i antropocentrično iskorišćavanje prirode. Taksidermija pokazuje tanku granicu između poštovanja i obožavanja te izrabljivanja i objektivizacije. To čini kroz prizmu preuzimanja vlasništva nad smrću i životom. Razmatranje tako radikalnih tema zahtijevalo je radikalne izvedbene pristupe koji odmiču zastore i razotkrivaju temu. Ti procesi mogu kod publike izazvati duboka emocionalna, etička i filozofska pitanja. Predstava *Mrtva priroda: Devet pokušaja očuvanja života* demonstrira prepariranje i ideju očuvanja života te ih provjerava potenciranjem. Stvara iluziju života, gdje života nema. Koristi bit lutkarskog medija: animirati neživo. Animacija u *Mrtvoj prirodi* seže u stvarni život: animirani entitet je stvorene koje je nekoć živjelo i ubili su ga ljudi.

## STILL LIFE

What is the inner force that we call life? What is life like? How to understand the phenomenon and way of existence and its opposite—death? And finally, what does it mean to take this life away? In the Victorian era, taxidermy—the art of preserving animals' bodies—gained popularity mainly as a peculiarity and a symbol of prestige or as a trendy decor for high society disguised as science. Up to today, this form of art has developed different expressions reaching beyond its original purpose, which was to depict nature in its naturalistic dimension. Taxidermy may serve as a metaphor for the love of nature. But it may as well serve as a metaphor for social hypocrisy and the anthropocentric exploitation of nature. Taxidermy shows the thin line between respect and worship, and exploitation and objectification. It does this through the prism of taking ownership of death and life. The unfolding of such radical themes required radical performance approaches that pull back the curtains and expose the theme. These processes may raise deep emotional, ethical, and philosophical questions with the audience. The performance *Still Life: Nine Attempts to Preserve Life* demonstrates taxidermy and the idea of preserving life and tests them by potentiating them. It creates the illusion of life, where there is no life. It uses the essence of the puppet medium: to animate the inanimate. The animation in *Still Life* reaches into real life: the animated entity is a creature that once lived and was killed by humans.

Predstavom *Baby Esferic* odajemo počast Zemlji. Kroz različite priče i krajolike izvedba govori o čaroliji koja nas povezuje s planetom i njegovim stanovnicima. Namijenjena bebama od 6 mjeseci i više, oduševit će cijelu obitelj. Bez teksta, s vrlo vizualnim jezikom, sve je okruglo, minimalističko i delikatno vizualno, što gledateljima omogućuje da puste mašti na volju. *Baby Esferic* prikazuje čaroliju Zemlje, bebinim tempom. Možete li zamisliti da svjedočite rođenju našeg prekrasnog planeta Zemlje i podijelite ga sa svojom bebom? Predstava nas vodi na zabavno putovanje kako bismo ponovno otkrili sebe i svoj dom i povezali se s njima očima djeteta. Ljubav i poštovanje prema sebi i našem planetu sjeme su koje *Baby Esferic* daje našim mališanima, ženama i muškarcima sutrašnjice.

*Baby Esferic* is a tribute to Earth. Through different stories and landscapes, it talks about the magic that binds us to the planet and its inhabitants. Aimed at babies from 6 months and up, it will delight the whole family. Without text, with very visual language, everything is round, minimalist, and delicately visual, giving freedom to the spectator's imagination. *Baby Esferic* captures the magic of Earth at a baby's pace. Can you imagine witnessing the birth of our wonderful planet Earth and sharing it with your baby? *Baby Esferic* proposes a fun trip to rediscover and reconnect with ourselves and our home through the eyes of a child.

Love and respect for ourselves and our planet are the seeds that *Baby Esferic* gives to our little ones, the women and men of tomorrow.

Temeljna misao predstave namijenjene najmlađima jest da se identitet ne gradi samo kod kuće, već je svakome od nas potrebno odletjeti iz košnice kako bismo se naučili životu, i to povezivanjem s drugima, s onim što je drugačije, s onima koji su različiti od nas i našega. Najbolji način prihvatanja i poštovanja samog sebe jest otisnuti se u svijet i kroz pustolovine prakticirati vrijednosti poput suradnje, empatije i poštovanja prema drugima. Svim pčelicama koje pogledaju našu predstavu želimo puno poglavljiva punih avantura poput Majnih, u kojima se ne prestaju diviti ljepoti prirode i snazi života u svim njegovim oblicima, ali isto tako, svima želimo sretan i siguran povratak jer, ako znamo da se vraćamo doma, putovanje nikada nije teško.

## MAYA THE BEE

The fundamental idea of this play for the youngest audiences is that identity is not built only at home. Instead, each of us needs to fly away from the hive to learn how to live our lives, by connecting with others, with the other and with those who are different from us. The best way to accept and respect ourselves is to go out into the world and practice values such as cooperation, empathy, and respect for others through adventures. We wish all the little bees who watch our play many chapters in life full of adventures like Maya's, in which they never stop admiring the beauty of nature and the power of life in all its forms. But we also wish everyone a happy and safe return because, if we know we will come back home, the journey we are on is never hard.

Zasnovana na istinitoj prići palestinskog umjetnika Karima Shaheena, predstava *Ratotorac* predstavlja putovanje u Karimove snove i deluzije. Mizanscenom, koja funkcioniра kao rezonantna komora, publiku se uvodi u Karimovu perspektivu od samog početka predstave. *Ratotorac* multidisciplinarna je kazališna predstava koja spaja vizualnu umjetnost i nove medije s dokumentarnim kazalištem i teatrom objekta. Nakon života u izgnanstvu, Karim je na raskrsnici, a sama predstava održava njegova slomljena ratna sjećanja. Nakon što je njegov prijatelj izgubio ruku u Zaljevskom ratu, mladog Karima, čiji su život oblikovala tri rata, počele su zanimati priče na velikom platnu, osobito znanstveno-fantastični filmovi. U raznim zemljama u koje je stigao kao izbjeglica izbili su ratovi. Je li on Ratotorac?

**KAZALIŠTE LUTAKA DAFA, Prag, Češka Republika**

Loutkové divadlo Dafa, Praha, Česká Republika

*Kazalište lutaka Dafa* osnovano je 2009. godine s ciljem promicanja i očuvanja lutkarske umjetnosti. Godine 2015. dvojica diplomiranih umjetnika s prestižne Akademije scenskih umjetnosti (DAMU) osnovala su *Kazalište lutaka Dafa* sa sjedištem u Pragu. U *Kazalištu lutaka Dafa* toplina nije samo riječ – to je sama suština njihova identiteta. Ukorijenjeno u arapskoj riječi dafa, odnosno toplina, njihovo kazalište temelji se na načelima uključivosti, gostoprимstva i transformativne moći veza među ljudima. Vjeruju da umjetnost ima

izvanrednu sposobnost unošenja topline u srca ljudi, u kojima njeguje osjećaj doma, pripadnosti i zajedničke ljudskosti.

*Kazalište lutaka Dafa* djeluje kao dinamičan laboratorij za teatar objekta i fizički teatar, gostujuće kazalište, mjesto očuvanja kulture i platforma za dijeljenje znanja.

Istražuju sve mogućnosti teatra objekta u izražavanju, inovacijama i komunikaciji te njegov potencijal za rušenje stereotipa, nadilaženje granica i poticanje smislenog dijaloga.

## WAR MAKER

Based on Palestinian artist Karim Shaheen's true story, *War Maker* is a voyage into Karim's dreams and delusions. With the mise-en-scene as a resonance chamber, the audience gets engaged with Karim's point of view straight from the show's beginning. *War Maker* is a multidisciplinary theatre performance that blends visual art and new media with documentary and object theatre. Having lived in exile, Karim's life is at a crossroads where the performance itself mirrors his broken war memories. When his friend lost his arm during the Gulf War, young Karim, whose life was shaped by three wars, became interested in the silver screen, especially sci-fi movies. Wars broke out in different countries where he arrived as a refugee. Was he a War Maker?

**DAFA PUPPET THEATER,  
Prague, Czech Republic**

Dafa was founded in 2009 to promote and preserve puppetry art. In 2015, two graduates of the prestigious Academy of Performing Arts (DAMU) cofounded the Prague-based theatre company Dafa Theatre. At Dafa Theatre, warmth is not just a word – it is the very essence of their identity. Rooted in the Arabic word *Dafa*, meaning *warmth*, their theatre is founded on the principles of inclusivity, hospitality, and the transformative power of human connection. They believe that art has the remarkable ability to bring warmth to people's hearts, fostering a sense of home, belonging and shared humanity.

Dafa Theatre acts as a vibrant object and physical theatre lab, a touring theatre, a cultural preserver, and a knowledge platform.

They explore the capacities of object theatre in expression, innovation, and communication and its potential to challenge stereotypes, transcend boundaries and foster meaningful dialogue.

Između zaraćenih suparnika, između dvije bande, dvoje djece gradi svoj životni put. Dvoje djece iz različitih pljačkaških klanova kreće u potpuno drugačiju avanturu. ## RONJA, THE ROBBER'S DAUGHTER

Here is a new story from the fantastic and world-renowned Swedish writer Astrid Lindgren. With her works, such as the famous novel *Pippi Longstocking*, she left an indelible mark on children's literature worldwide.

In a story called *Ronja – the Robber's Daughter*, we enter a new world of robbers, mushroom elves, wild forests, and adventurous landscapes. Two children are building their lives between warring rivals, two gangs. Two kids from different marauding clans embark on a completely different adventure. Their story is a story of friendship and a strong bond between two pure souls.

The Children's and Youth Theatre is the only national theatre in the Republic of North Macedonia specialising in children and youth programmes. It was founded on February 2nd, 1990, by a government decision. The first time the curtains were lifted in front of an audience in Skopje was on March 25th, 1990. Since then, the theatre has been creating fairy tales with a different, cheerful, and magical spirit and plays for teenagers, young people, and adults. It plays a major role in the artistic and cultural upbringing of the youngest, thanks to the daily contribution of the ensemble, the management, and the entire theatre team, all under the financial cap of the Ministry of Culture.

The theatre's repertoire is particularly diverse. Performances are played on stage in a contemporary rhythm and spirit, from puppet shows and performances for children to full-length plays for young people. For over two decades, they have reached out to young people through themes, fiction, events, and issues in their lives

# ALISA U ZEMLJI PAPIRA

## ALICA V PAPIRNATI DEŽELI

**Režija i adaptacija / Direction and adaptation:** Matteo Spiazzi

**Likovno oblikovanje / Visual design:** Darka Erdelji

**Kostimografija / Costume design:** Mojca Bernjak

**Lektura / Proofreader:** Metka Damjan

**Tehnologija lutaka / Puppet technology:** Darka Erdelji

**Izrada lutaka / Puppet makers:** Darka Erdelji, Sara Oprešnik, Anna Lia Maggioni

**Igraju / Cast:** Miha Bezeljak, Gregor Prah

*Alisa u zemlji papira* posveta je svijetu knjiga i pisaca kao što je Lewis Carroll. Alisa, stvorena od papira, je poput lika iz sna, a jurnjava zeca sa satom poput utrke s vremenom... I čini se da u njoj uvijek kasnimo. Tako svi mi, ne samo tijekom odrastanja, već i u raznim životnim okolnostima, otkrivamo da smo ponekad neobični: preveliki ili premali, ponekad čak i nesposobni razumjeti logiku ili pravila drugih. Ovaj svijet nam se čini čudnim ili čak okrutnim. Ali središnja točka istraživanja ovog svijeta smo mi. Mi koji pokušavamo odgovoriti na pitanje tko smo.

Jer svijet nastaje kroz naše oči i odrazom nas samih u drugima.

### KAZALIŠTE LUTAKA MARIBOR, Republika Slovenija

Lutkovno gledališče Maribor, Republika Slovenija

Kazalište lutaka Maribor osnovano je 8. prosinca 1973. godine spajanjem dvaju amaterskih lutkarskih kazališta u gradu. Počeci razvoja mariborskog lutkarstva sežu u razdoblje između dva svjetska rata. Sezona 1974./75. smatra se prvom profesionalnom sezonom novoosnovanog kazališta lutaka. Misija Kazališta lutaka Maribor je produkcija i postprodukcija lutkarskih predstava namijenjenih svim dobrim skupinama u vlastitim

prostorima, u Sloveniji i svijetu. Osnovna smjernica u osmišljavanju programa je kvaliteta u odabiru tekstova, tema i umjetničkih suradnika. Osim osnovne misije, zaposlenici se zalažu i za razvoj popratnih sadržaja (kulturna edukacija iz područja lutkarstva i lutkarske baštine) te osiguranje infrastrukture za umjetnike u gradu koji nemaju prostora za nastup – suvremeni ples, filmska kultura, glazba, neovisno kazalište.

## ALICE IN PAPERLAND

*Alice in Paperland* is a tribute to the world of books and writers such as Lewis Carroll.

Alice, created from paper, is like a character from a dream, and chasing a rabbit with a clock is like a race against time... And it seems that we are always late in it. Thus, all of us, not only during the period of growing up, but also in various life circumstances, find that we are sometimes unusual: too big or too small, sometimes even unable to understand the logic or rules of others. This world seems strange or even cruel to us. But the focal point of exploring this world is us. We who are trying to answer the question of who we are.

Because the world is formed through our eyes and by the reflection of ourselves in others.

**Maribor Puppet Theatre,  
Republic of Slovenia**

Maribor Puppet Theatre was founded on 8 December 1973, through the merging of two amateur puppet theatres in the city. The beginnings of Maribor puppetry go as far back as the period between the two world wars. The 1974-1975 season is considered the first professional season of the newly founded puppet theatre. The mission of the Maribor Puppet Theatre is the production and post-production of puppet shows for all age groups in their own space, in Slovenia and around the world. The basic guideline in creating the theatre's programme is the quality selection of texts, themes, and artistic collaborators. In addition to its basic mission, the employees are committed to developing supporting content (cultural education in puppetry and puppetry heritage) and ensuring the infrastructure for artists in the city who do not have a space for their performances – contemporary dance, film culture, music, independent theatre.

Dvoje djece koje su životni uvjeti učinili nesretnima, apatičnima i nezainteresiranim za sve, zahvaljujući malenom vrtu o kojem se odlučuju brinuti, pronalaze volju za životom i na taj način pomažu odraslima koji ih okružuju da ju i oni ponovno pronađu. Tako ispričana čini se kao jednostavna priča o djeci za djecu, ali u *Tajnom vrtu* F. H. Burnett ona postaje, posebice ako se ponovno čita u svjetlu suvremenosti, priča koja služi kao ogledni primjer. To je priča koja nosi snažnu poruku: samo osjećajući se dijelom prirode možemo izlječiti svoje slabosti i pronaći sebe.

Odabir kazališta sjena kao kazališnog jezika omogućuje da se prebacimo u vrijeme koje je više imaginarno nego povijesno, uspješnim prikazom mjesta unutar okvira i brzim, gotovo filmskim, ritmom izmjena scena. Četiri glumca, koji su sastavni dio ove ideje kazališta sjena, imaju zadatak voditi nas kroz priču zahvaljujući igri kontinuirane izmjene uloga: naratora, likova, animatora likova sjena. Ali, prije svega, imaju za zadaću svjedočiti nam o neizostavnoj ulozi kazališta u našem društву.

## DJEĆJE KAZALIŠTE BRANKA MIHALJEVIĆA U OSIJEKU, Republika Hrvatska

Dječje kazalište Branka Mihaljevića u Osijeku svoj rad započelo je 1950. godine kao Pionirsko kazalište u kojemu su u predstavama nastupala dječja amateri. Odlukom Općine Osijek kazalište je 1958. dobito profesionalni status i ime Dječje kazalište „Ognjen Prica“ koje je nosilo sve do 1991. godine. Odlukom Gradskog poglavarstva i Gradskog vijeća grada Osijeka 2006. godine Dječjem kazalištu u Osijeku dano je ime istaknutog osječkog glazbenika Branka Mihaljevića. Tijekom svoje

povijesti Kazalište je na svom repertoaru imalo vrijedna djela hrvatskih i svjetskih autora koja su realizirali istaknuti redatelji i likovni umjetnici i to kao lutkarske i dramske predstave, a posebno smo njegovali i rad s djecom. Kazalište je tijekom svoje povijesti sa svojim predstavama gostovalo na svim relevantnim festivalima kako u zemlji tako i inozemstvu, te je za svoja umjetnička dostignuća dobilo brojne nagrade i priznanja.

## THE SECRET GARDEN

Two children, whose living conditions have made them unhappy, apathetic and uninterested in everything, thanks to the small garden they decide to take care of, find the will to live and thus help the adults around them to find it again. Told like this, it seems like a simple story about children for children, but in *The Secret Garden* by F. H. Burnett it becomes, especially when reread in the light of modern times, a story that serves as an example. It is a story that carries a powerful message: only by feeling part of nature can we heal our weaknesses and find yourself.

The choice of shadow theater as a theatrical language allowed to move to a more imaginary time than historical, by successfully depicting the place within the frame and the fast, almost cinematic, rhythm of scene changes. Four actors, who are an integral part of this idea of Shadow Theater, have the task of guiding us through the story thanks to the game of continuous change of roles: narrator, characters, and animators of shadow characters. However, above all, they have the task of testifying to us about the indispensable role of theatre in our society.

## Branko Mihaljević Children's Theatre in Osijek, Republic of Croatia

Branko Mihaljević Children's Theatre in Osijek began its work in 1950 as the Pioneer Theatre with plays performed by children who were amateur actors. Following a decision of the Osijek Municipality, the theatre gained professional status in 1958 and was named the Ognjen Prica Children's Theatre, a name it retained until 1991. Since 2006, it has borne the name of a prominent Osijek musician Branko Mihaljević. Throughout its history, the Theatre's repertoire contained notable works of Croatian and international authors produced by prominent directors and artists as puppetry and drama performances. They particularly cultivate their work with children. Predstava *Asdfdfggggg* nastala je kao ispitna produkcija studenata 2. godine diplomskog studija glume, lutkarske animacije i lutkarske režije. Na (tragi) komičan način propitkuje čovjekovu poziciju (ne)moći da stvori nešto te izrazi svoju kreativnost. Naš glavni i jedini junak, Zvone, u svoja četiri zida svim silama pokušava pronaći inspiraciju za pisanje u svemu što ga okružuje. Koliko daleko Zvone ide u svojoj grčevitoj potrebi za nadahnucem i stvaranjem i uspije li uopće u svojem naumu, možete vidjeti u ovoj 40 minuta dugoj lutkarskoj predstavi koja nije namijenjena djeci.

## UMJETNIČKA ORGANIZACIJA KAZALIŠNA DRUŽINA GLINJOL TEATAR, Glina, Republika Hrvatska

Umjetnička organizacija Kazališna družina Glinjol teatar sa sjedištem u Glini djeluje od 2023. godine. Osnovana je kako bi se probudila svijest o kazalištu i kulturi općenito u potresom pogodenom području te djeluje pod geslom #obnovakulture, jer obnoviti

samo zidove, nije dovoljno. Njezina produkcija uključuje ispitne produkcije i autorske projekte mladih kolega i kolegica koji imaju želju i nagon progovoriti o onome što ih se tiče, danas.

The play *Asdfdfggggg* was created as an exam production by students in the 2nd year of graduate studies in acting, puppet animation and puppet directing. In a (tragi)comical way, it questions a person's position (or lack) of power to create something and express their creativity. Our main and only hero, Zvone, is trying his best to find inspiration for writing in everything around him. You can see how far Zvone goes in his convulsive need for inspiration and creation and if he succeeds at all in his plan in this 40-minute puppet show that is not intended for children.

## Artistic Organization and Theatre Company Glinjol Teatar, Glina, Republic of Croatia

Predstava *Ja, Sizif* istražuje put čovjekova vječnog povratka sebi. Još od antike filozofi otkrivaju absurdnost ljudskog ponašanja. Kojim god putem da krene, tko god da pokuša postati, kojom god cestom da pobegne, uveć se vraća sebi. Ljudski je život ponavljanje jedne te iste radnje. Repetitivno, isto, predvidljivo. To stalno djelovanje tjeru nas da meditiramo ne o smislu, već o besmislu ljudskog života.

## I, SISYPHUS

In the performance *I, Sisyphus*, the road of man's eternal return to himself is being explored. Ever since Antiquity, philosophers have been uncovering the absurdity of human behaviour. Whichever road one may take, whoever else one tries to become, whatever escape routes one might venture on, he always keeps returning to himself. Human life is a repetition of one and the same action. Spiralling, same, predictable. And this constant action makes us meditate not on the meaning but on the meaninglessness of human life.

Postavljanje bilo koje bajke iz najpoznatije zbirke hrvatske književne baštine za djecu, *Priče iz davnine* Ivane Brlić Mažuranić, velik je izazov za svako kazalište i svakoga kazališnog umjetnika. Takvog su se izazova prihvatali Ivana Vuković, autorka novog teksta nastalog prema motivima bajke *Regoč* te glumac i lutkarski redatelj Branimir Rakić koji je ovom predstavom diplomirao pri Studiju lutkarske režije na Umjetničkoj akademiji u Osijeku, pod mentorstvom doc. art. Tamare Kučinović.

Dječak Ljiljo, vila Kosjenka i div Regoč glavni su protagonisti ove priče u kojoj je razornoj sili nesloge i razjedinjenosti suprotstavljena graditeljska snaga zajedništva i pravog prijateljstva kojoj ne smetaju postavljene granice, različitosti, nečija veličina, a ni drugaćiji način razmišljanja.

## HOW LILIO AND CURLYLOCKS DEFEATED EVIL DISAGREEMENT

Staging any fairytale from the most famous collection of Croatian literary heritage for children – Croatian *Tales of Long Ago* by Ivana Brlić Mažuranić – is a big challenge for any theatre and every theatre artist. The challenge was taken on by Ivana Vuković, the author of the new text based on the motifs from the fairytale *Reygoch* and the actor and puppetry director Branimir Rakić who, with this play, graduated in Puppetry Direction at the Academy of Arts and Culture in Osijek, mentored by Tamara Kučinović.

The boy Lilio, the fairy Curlylocks and the giant Reygoch are the main protagonists of this story, in which the destructive force of disagreement and disunity is opposed by the constructive power of togetherness and true friendship, which is not bothered by the set boundaries, differences, one's size, or a different way of thinking.

### Split City Puppet Theatre, Republic of Croatia

The first premiere of the first professional Croatian puppet theatre was an adaptation of the contemporary Russian story *The Icy Hill*, on 2 August 1945.

Since its foundation, the Split City Puppet Theatre has had a consistent repertoire policy based on the staging of national and world literary heritage and the promotion of recent Croatian and foreign drama for children.

In its productions, the theatre questions the world in which children live today and tries to establish communication from the stage with each and every child in the audience. The Split City Puppet Theatre stages three to four puppetry and children's theatre premieres for children between the ages of 3 and 10 annually and also reprises around 10 plays every season. More than 300 performances are seen by more than 40,000 children every year. In 2008, Split puppeteers presented their own and other Croatian children's theatre performances in Bulgaria, Poland, Hungary, Austria, Italy, Germany, Mexico, Iran, Egypt, Slovenia, Serbia and Macedonia. The theatre has a large collection of professional accolades and awards received at numerous foreign and domestic festivals.

The City Puppet Theatre is focused on promoting domestic drama for children and is the organiser of the Croatian Dramatic Writing Festival for Children *Mali Marulić*. In addition to Croatian authors, the theatre also stages classics from around the world in dramatic and puppetry form, as well as performances for adults that deal with the challenges of raising children and young adults and them growing up.

U ovoj predstavi publiku vodimo na putovanje u svijet snova u kojem kuće imaju noge, krila ili jedra, pa se svake noći mogu zaputiti na putovanje. Ali jednoga dana jedna kuća odlazi bez svojeg stanara... Time počinje potraga koja objedinjuje ručne lutke i crtiće u potrazi za izgubljenom kućom u poetskom i duhovitom svemiru. Izmišljeni svijet poprima oblik i postaje živ. Stvaraju se veze između imaginarnog i stvarnog, između animiranog lika i lutke koja ga utjelovljuje. Kroz cijelu pripovijest projicirana slika predaje se opipljivom predmetu i obrnuto. Tako imaginarno postaje stvarno, a stvarno postaje imaginarno.

**CIE LA NEIGE SUR LES CILS, Nantes, République Française**

Družina je osnovana i počela je s konstrukcijom lutaka u Nantesu 2017. godine. Vera Rozanova odabrala je ime *Cie La Neige sur les cils* (Snijeg na trepacimaca) jer je snijeg, baš kao i predstava, krvak, čaroban i prolazan. Zadivljuje nas, budi

i tjeru da putujemo u mislima. Za svaku novu kreaciju u režiji Vere Rozanove družina okuplja umjetnike iz različitih sredina kako bi istražili intimna pitanja vezana uz izazove suvremenog društva kroz lutkarstvo i teatar objekta.

## DON'T WAIT FOR ME

The audience is taken on a journey into a dreamlike world where houses have legs, wings, or sails to hoist, and they can, therefore, go on trips every night. But one day, a house leaves without its tenant... Thus begins an initiatory quest that combines hand puppets and cartoons in a poetic and humorous universe in search of the lost house. An invented world takes shape and comes to life. Connections are woven between the imaginary and the real, between the animated character and the puppet that embodies it. Throughout the narrative, the projected image is handed over to the tangible object, and vice versa. Thus, the imaginary becomes real, and the real becomes imaginary.

### CIE LA NEIGE SUR LES CILS, Nantes, Republic of France

The company was founded and began its construction in Nantes in 2017. Vera Rozanova chose the name *Cie La Neige sur les cils* (Snow on the Eyelashes Company) because snow, just like a show, is fragile, magical and ephemeral. It amazes us, awakens us, and makes us travel in our thoughts. For each new creation, directed by Vera Rozanova, the company brings together artists from different backgrounds to research intimate questions related to contemporary society's challenges through puppetry and object theatre.

Ovo je priča o ljudima koji su preko noći izgubili svoju suštinu, zakopali je duboko u središte sebe i na nju zaboravili. O ljudima koju su postali ime i broj. Ovo je priča o ljudima čiju su svrhu uništile bombe, maslinasto zeleni zrakoplovi, olovni fijuk metka posred plavetnog neba, kalašnjikov usred dnevnog boravka, metalan miris krvi u spavaćoj sobi i prašina. I postali su Nitko, Ime i broj. Problem ljudskog društva. Nevažan podatak na papiru. Nitko. Ovo je priča o ldrisu, malom dječaku s voljom dovoljno snažnom da raskopa ono što je netko zakopao duboko u središte sebe, da vrati suštinu svakom biću koje je nitko i da nađe slobodu čak i na mjestu gdje ograde rastu iz blata, gdje se prašina jede za doručak i ljudi su nitko. Ime i broj. Nitko.

## HRVATSKO NARODNO KAZALIŠTE U VARAŽDINU, Republika Hrvatska

Hrvatsko narodno kazalište u Varaždinu djeluje u gradu u kojem je kazališna tradicija vrlo duga: dokumentirano kazališni život u Varaždinu možemo pratiti od 1637. Od tada do 1771. predstave su se kontinuirano izvodile u Isusovačkom kazalištu u gimnaziji, odnosno u okviru isusovačkog kolegija. Prvo javno kazalište Varaždin je dobio 1788.

Godine 1873. podignuta je sadašnja zgrada kazališta prema projektu čuvenog bečkog arhitekta Hermanna Helmera. Prvi hrvatski profesionalni ansambl osnovan je 1898. Od 1898. do 1915. Hrvatsko dramsko društvo na čelu s poznatim filologom i književnim povjesničarem Ivanom Mićetićem upravlja kazalištem i organizira kazališni život.

Stalno gradsko kazalište osnovano je 1915. kad se uz dramu prikazuju opere i operete. Po repertoaru i značenju u Hrvatskoj HNK u Varaždinu ima sva obilježja suvremenoga nacionalnog dramskog kazališta. Na repertoaru preteže nacionalna dramatika, osobito prizvedbe hrvatskih pisaca. Stalno su na repertoaru i klasični. Osobitost repertoara je izvođenje klasičnih djela na kajkavskom narječju. Suvremenost u orijentaciji kazališta vidljiva je i u sklonosti istraživanju scenskog izraza ili tzv. eksperimentalnim predstavama. Raznovrsnosti repertoara, žanrova i estetskih usmjerenja pridonosi i činjenica da kazalište ima tri scene (velika scena i dvije komorne).

## THE SOUL'S WHISPER

This is the story of people who lost their essence overnight, buried it deep in the centre of themselves and forgot about it. About people who have become a name and a number. This is a story about people whose purpose was destroyed by bombs, olive-green planes, a leaded whistle of a bullet through the blue sky, an AK-47 in the middle of the living room, a metallic smell of blood in the bedroom, and dust. And they became Nobody. Name and number. Society's problem. Irrelevant data on paper. Nobody. This is the story of Idris, a little boy with a will strong enough to dig up what others have buried deep in the centre of themselves, to return essence to every being who is a nobody and to find freedom even where fences grow out of the mud, where dust is eaten for breakfast, and people are nobodies. Name and number. Nobody.

## CROATIAN NATIONAL THEATRE IN VARAŽDIN, Republic of Croatia

The Croatian National Theatre in Varaždin operates in a city with a very long theatrical tradition: we can trace the theatrical life in Varaždin back to 1637. From then until 1771, performances were continuously performed in the Jesuit Theatre at the grammar school, i.e., as part of the Jesuit studies. The first public theatre in Varaždin was opened in 1788.

The current theatre building was erected in 1873, based on the design of the famous Viennese architect Hermann Helmer. The first Croatian professional ensemble was founded in 1898. From 1898 to 1915, the Croatian Dramatic Society, headed by the renowned philologist and literary historian Ivan Mićetić, managed the theatre and organised its theatrical life.

The Permanent City Theatre was founded in 1915, showing operas and operettas alongside drama.

Based on its repertoire and significance in Croatia, The Croatian National Theatre in Varaždin has all the modern national drama theatre features. The repertoire is dominated by national drama, especially premieres by Croatian writers. The classics are also a fixture of the repertoire. The theatre is special in that it performs classic works in the Kajkavian dialect. The theatre's contemporaneity is also evident from its tendency to explore stage expression, i.e., stage experimental performances. The fact that the theatre has three scenes (a large scene and two smaller ones) also contributes to its diversity of repertoire, genres, and aesthetics.

Bajka sva od šećera priča je o jednoj Crvenkapici, jednoj Bakí i jednom neobičnom Vuku koji voli djecu, a još više voli slatkise i kolače. Pa tko bi, uostalom, pokraj čokoladne torte i htio pojesti Baku? Kroz jednu od najpoznatijih bajki braće Grimm bavimo se važnosti negativaca u bajkama i što oni nose kroz priču. Može li Crvenkapica uopće postojati bez Zločestog Vuka, pogledajte u lutkarskoj predstavi Bajka sva od šećera.

## KAZALIŠTE VIROVITICA, Republika Hrvatska

Tradicija virovitičkoga gradskog kazališta seže u 1900. godinu kada su virovitički glumci izveli šalu *Sluge muzikanti* u gostonici Grčić praćeni Tamburaškim društvom Sloga i time počeli kazališni život grada. Nakon II. svjetskog rata ansambl i kompletno kazalište se profesionaliziraju. Kazalište u Viroviticu bilježi više od sedamdeset godina profesionalnoga kazališnog angažmana, s više od četiri stotine premijera i deset tisuća odigranih predstava.

Svake godine virovitičko kazalište odigra šest premijera i oko dvjesto predstava, a te brojke prevedene u statistiku znače da svaki građanin Virovitice ode u naše kazalište bar jednom na godinu. Taj podatak je uz brojne nagrade i nominacije s raznih festivala u Hrvatskoj, regiji i šire, veliko odlikovanje radu Kazališta Virovitica te ga smješta u središte hrvatskoga kazališnog života.

## A FAIRY TALE ALL MADE OF SUGAR

*A Fairy Tale All Made of Sugar* is a story about one Little Red Riding Hood, one Grandmother and one unusual Wolf who likes children but loves sweets and cakes even more. Who would want to eat Grandma instead of a chocolate cake anyway? Using one of the most famous fairy tales of the Grimm brothers, we examine the importance of villains in fairy tales and what they mean in the story. Whether Little Red Riding Hood can even exist without the Big Bad Wolf can be seen in the puppet show *A Fairy Tale All Made of Sugar*.

## VIROVITICA THEATRE, Republic of Croatia

The tradition of the Virovitica City Theatre dates back to 1900, when actors from Virovitica performed the play *Servant Musicians* at the Grčić tavern, accompanied by the tamburitzu orchestra Sloga, thus giving birth to the city's theatrical life. After World War II, the ensemble and the whole theatre became professionalised. The Virovitica Theatre marks over seventy years of professional theatrical engagement, with over four hundred premiers and ten thousand plays performed.

The Virovitica Theatre annually shows six premiers and over two hundred plays. That means that every citizen of Virovitica attends our theatre at least once a year. That information, along with the numerous awards and nominations from various festivals in Croatia, the region, and beyond, serves as a big accolade for Virovitica Theatre and places it at the centre of theatrical life in Croatia.

Duboko u šumi jednoga proljetnog dana otvorila su se dva mala oka. Otkad su se otvorila, nisu se prestala pitati što to vide: mamin nos, travu, drvo, miša, vjevericu, šojku, lišće, kamenje, vodu, tvora, zeca, Falinu, rogovje jelena, put, grmlje i najljepše od svega – livađu! Ustvari, postoji još nešto. Nešto visoko. Nešto što stoji na dvije noge. Nešto što nema ništa na njušći! Nešto što ima golemu snagu. To je...

*Bambi* je autorova adaptacija lirskog romana koji je prije gotovo jednog stoljeća napisao Felix Salten, uz glazbu uživo na nekoliko udaraljki.

Predstava govori o odrastanju i upoznavanju svijeta malog jelena. Proživjet ćemo s njim njegovo djetinjstvo, radosti i poteškoće odrastanja. Mali jelen mora naučiti stajati, hodati, skakati, trčati, igrati se, tražiti hranu, biti sam, osjetiti opasnost. I on nikada ne prestaje učiti, svijet će za jelena uvijek ostati misterij, čak i kada odraste.

## BAMBI

Deep in the forest on one spring day, two little eyes opened. Ever since they opened, they haven't stopped wondering what they're seeing: mum's nose, grass, a tree, a mouse, a squirrel, a bird, leaves, stones, water, a skunk, a rabbit, Faline, deer antlers, a path, bushes and the most beautiful sight of all – a meadow! Actually, there is something else. Something tall. Something standing on two legs. Something that has nothing on its snout! Something with immense power. It is...

*Bambi* is the author's adaptation of the lyrical novel written almost a century ago by Felix Salten, accompanied by live music performed using several percussions. The play is about a fawn growing up and getting to know the world. We follow it through its childhood, the joys and the difficulties of growing up. The fawn needs to learn to stand, walk, jump, run, play, search for food, be alone, sense danger. He never stops learning, the world will always remain a mystery to him, even after he grows up.

### AKADEMIJA ZA UMJETNOST I KULTURU U OSIJEKU, Republika Hrvatska

ACADEMY OF ARTS AND CULTURE IN OSIJEK, Republic of Croatia

Akademija za umjetnost i kulturu u Osijeku jedina je umjetničko-nastavna sastavnica Sveučilišta Josipa Jurja Strossmayera u Osijeku. Samostalno je počela s radom u akademskoj godini 2004./2005. kao Umjetnička akademija u Osijeku. U okviru Akademije danas djeluje šest odsjeka. Izvodi se više preddiplomskih sveučilišnih studija, među kojima studij Gluma i lutkarstvo te Dizajn za kazalište, film i televiziju (koji uključuje oblikovanje i tehnologiju lutke). AUK je jedino mjesto u gdje se u Hrvatskoj (a i u susjednim državama) može studirati lutkarstvo. Na Odsjeku za kazališnu umjetnost na studiju glume i lutkarstva studenti studiraju i dramsku glumu i lutkarstvo te nakon završene tri godine stječu akademski naziv *sveučilišni prvostupnik/prvostupnica glume i lutkarstva*. Među diplomskim je sveučilišnim studijima studij lutkarske animacije i – sasvim nov – studij lutkarske režije.

Akademija pridonosi kulturnom i umjetničkom životu grada Osijeka organizirajući različita kulturna i umjetnička zbiranja, kao što su festivali *Dioniz i Lutkokaz* (međunarodna lutkarska revija – susret lutkarskih akademija i mladoga lutkarskoga kazališta). Studenti glume i lutkarstva sa svojim su lutkarskim izvedbama s velikim uspjehom gostovali na festivalima u zemlji i inozemstvu (Slovačkoj, Rusiji, Srbiji, Bosni i Hercegovini, Poljskoj, Italiji). Redovito gostuju na PIF-u prikazujući u svojim završnim i diplomskim ispitnim produkcijama nove načine lutkarskog razmišljanja i svježa scenska rješenja. Predstava *Duga*, nastala kao diplomski ispit, osvojila je na 48. PIF-u 2015. godine četiri nagrade.

The Academy of Arts and Culture in Osijek is the only artistic-teaching organisational unit of the University of Josip Juraj Strossmayer in Osijek. It started operating independently in the academic year 2004/2005 as the Academy of Arts in Osijek. Today, it has six departments. There are several undergraduate university study programmes, including Acting and Puppetry, and Theatre, Film and Television Design

(which includes puppet design and technology). The Academy of Arts and Culture has the only puppetry programme in Croatia (and neighbouring countries). At the Department of Theatre Arts, as part of the Acting and Puppetry study programme, students study both dramatic acting and puppetry and acquire a bachelor's degree in acting and puppetry. Graduate university programmes include the Puppetry Animation study programme and the entirely new Puppetry Directing study programme. The Academy contributes to Osijek's cultural and artistic life by organising numerous events such as the Dioniz festival and Lutkokaz (an international puppetry revue – a meeting of puppetry academies and small puppet theatres). Acting and puppetry students successfully toured their puppet performances at festivals in the country and abroad (Slovakia, Russia, Serbia, Bosnia and Herzegovina, Poland and Italy). Young puppeters are regular guests at PIF where they showcase their undergraduate and graduate exam productions, new approaches to puppetry and innovations in stage performance. The performance Rainbow, created as a graduation exam, won four awards at the 48th PIF.

## IŠ' O VILJO U DUĆAN VILJO WENT TO THE SHOP

Viljo, mali junak predstave, dražestan je psić koji priča nježnu i poticajnu priču o naoko običnoj svakodnevici. Viljo prolazi ono što se događa prvi put, što je malim ljudima ravno fantastiči: kako potpuno sam obaviti neki zadatak, kako sretno stići na drugu stranu ulice, kako savladati mali put oko kuće i pritom se ne izgubiti, a možda usput nekome i pomoći. Kroz dodire, dječje i kazališne igre, brojalice i izražavanje zvukom, *Iš' o Viljo u dućan* predstava je primjerena osjetljivoj dječjoj dobi koja njeguje samopouzdanje, tople emocionalne odnose, tišinu i pažnju prema prividno beznačajnim pojedinostima.

*Viljo, the little hero of the play, is a charming puppy who tells a gentle and encouraging story of seemingly ordinary everyday life. Viljo goes through experiences for the first time, those which are tantamount to science fiction for children: how to complete a task fully on your own, how to happily reach the other side of the street, how to master a short trip around the house without getting lost, and maybe help someone along the way. Through touch, children's and theatrical games, nursery rhymes, and sound expression, *Viljo Went to the Shop* is a play for the youngest children. It nurtures self-confidence, warm emotional relationships, quiet, and attention to seemingly insignificant details.*

## LiLa

Neverbalna lutkarsko klaunska predstava

Non-verbal puppet clown show

Predstava *LiLa* nastala je u koprodukciji Lutkarske organizacije koju fakat trebamo (LOFT) iz Zagreba i Umjetničke organizacije CLOU iz Rijeke. Izmaštana je po istoimenoj slikovnici autorice Nine Sabo, a u njoj su zabilježene dogodovštine klaunice LiLe, koja putem otkrije da njezin nos sam od sebe mijenja boju.

Razigranim stilom želi se djeci približiti figuru klauna te im dati do znanja koliko je on zapravo

sličan njima – spava, doručkuje, pere zube, pokušava spretno izračunati matematičke jednadžbe, a sve to čini na osebujan način, služeći se klaunovskom logikom. Vodeći se motom „manje je manje, a više je taman“, LiLa zadovoljno kroči kroz život te želi potaknuti male gledatelje da širom otvorenih očiju i s puno mašte promatraju sebe i svijet, baš kao što to čini i ona.

The play *LiLa* was co-produced by the Puppetry Organisation We Really Need (LOFT) from Zagreb and the CLOU Art Organisation from Rijeka. It is based on Nina Sabo's picture book of the same name, which tells the adventures of the clown LiLa, who discovers that her nose changes colour by itself.

With its playful style, it aims to bring children closer to the figure of the clown and let them know how similar it really is to them – a clown sleeps, eats breakfast, brushes its teeth, tries to calculate mathematical equations skilfully, and does it all in a peculiar way, using clown logic. Guided by the motto “less is less and more is just enough,” LiLa cheerfully goes through life and wants to encourage her little audience members to see themselves and the world with eyes wide open and a lot of imagination, just as she does.

## LUTKARSKA ORGANIZACIJA KOJU FAKAT TREBAMO – LOFT THE PUPPETRY ORGANISATION WE REALLY NEED – LOFT

Lutkarska organizacija koju fakat trebamo – Loft nastala je početkom 2012. godine iz potrebe i želje za radom i promjenom te eksperimentiranjem i istraživanjem lutkarskog kazališta i kazališta za djecu i mlade. Od podcijenjenog lutkarstva želi napraviti punopravnog pripadnika suvremenog kazališta, da zadrži djecu u lutkarskom kazalištu, a odrasloj publici otkrije sve čari ove umjetnosti. Loft svojim projektima želi pokazati da je lutkarska umjetnost pravo mjesto za spoj i susret raznih umjetnosti: kazališne, likovne, glazbene, plesne. U svom devetogodišnjem djelovanju ima jedanaest premijernih naslova, od kojih je pet nastalo u vlastitoj produkciji, a šest u koprodukciji. Loft-ova je misija educiranje kazališne publike o estetskoj, edukativnoj i formativnoj važnosti lutkarstva unutar nacionalnoga kazališnog sustava.

*The Puppetry Organisation We Really Need – Loft* was created at the beginning of 2012 out of the need and desire to work, create change, experiment, and explore puppet theatre and theatre for children and young people. It wants to turn underestimated puppetry into a full-fledged member of contemporary theatre, keep children in puppet theatre, and bring the charms of this art form to adult audiences. In its projects, Loft wants to show that puppetry art is the right place to connect various arts: theatre, fine arts, music, and dance. In its nine years, it has had eleven premiere titles, five of which were own productions and six were co-productions.

Loft's mission is to educate the theatre audience about puppetry's aesthetic, educational and formative importance within the national theatre system.

### JEŽEVA KUĆICA HEDGEHOG'S HOME

**Lutkarska skupina Cukarin, Društvo Naša djeca, Blato**  
*Cukarin Puppetry Group, Our Children Association, Blato*

U šumi svi poznaju vrijednog, skromnog i hrabrog ježića, koji iznad svega voli svoj dom. Jednoga dana pozvala ga je lisica Mica na gozbu. Na kraju obilatog ručka ježić je zahvalio na gostoprимstvu i krenuo svojoj dragoj kućici, iako ga je lisica molila da prenoći kod nje. Lisicu je čudilo zašto jež toliko voli svoj dom i misleći da je to bogati dom, krenula je za njim to vidjeti. Pridružili su joj se značajniji vuk, medo i divlja svinja koji bi svoj dom dali za dobar ručak. Kada su došli do ježeve kućice, vidjeli su da je ona jako skromna i narugali su mu se govoreći da je to štenara puna buha.

Jež je odgovorio da je njegov dom skroman, ali samo njegov, u njemu je on svoj gazda i branit će ga do zadnjeg daha.

Lisica je na kraju razumjela ježa i vratila se svojoj kući. Vuk, medo i divlja svinja stradali su svatko na svoj način, a ježić i dalje radi i čuva rođeni dom.

Everyone in the forest knows a hardworking, humble, brave hedgehog who loves his home above all else. One day, the fox Mica invited him to a feast. After a plentiful lunch, the hedgehog thanked her for the hospitality and headed to his dear cottage, although the fox begged him to stay.

The fox wondered why the hedgehog loved his home so much, and thinking it was a wealthy home, she went after him to see it. She was joined by a curious wolf, a bear, and a wild boar, who would all give away their homes for a good lunch. When they came to the hedgehog's house, they saw that it was very modest, and they mocked him, saying that it was a kennel full of fleas.

The hedgehog replied that his home was modest, but it was his, where he was the boss, and he would defend it until his dying breath.

The fox eventually understood the hedgehog and returned to her home. The wolf, the bear, and the wild boar all got their comeuppance while the hedgehog is still working and guarding his home.

## SLIČIMO WE ARE ALIKE

Lutkarski studio Učilišta Zagrebačkog kazališta mladih  
The Puppetry Studio of the Zagreb Youth Theatre

Djeca su stavila larval maske iz kazališnog fundusa na lice i čarolija je počela. Bez riječi sve je bilo jasno. Međutim, maska je vrlo zahtjevna jer se očekuje preciznost izvedbe, potrebna je velika koncentracija i fizička izdržljivost. Prvo je nastala etida *bezobrazovanje*.

Tematizirana je škola. Iako su prikazane situacije naizgled stereotipne, s maskom na licu one postaju začudne, općenite, a svakodnevni problemi kao da dobivaju neki komičan karakter, kao da ih promatramo s odmakom. Kada pokušamo biti kritični i ironični, maska to nekako ublaži, ona neutralizira, ali joj je dopušteno preterati.

U seriji maski koje ćemo vidjeti u predstavi mnoge su izradili sami polaznici. Svaka je maska specifična, a to je postignuto minimalnom likovnom intervencijom na neki jednostavan oblik maske, ali joj ona daje naznaku karakterne osobine.

**The children put larval masks from the theatre's fund on their faces and magic ensued.** Without words, everything was clear. However, this mask is very demanding, requiring precise performance, great concentration, and physical endurance. The first creation was the exercise performance called *miseducation*.

The theme was school. Although the presented situations are seemingly stereotypical, with masks on their faces, they become astonishing and universal. Everyday problems seem to take on a comical character as if we are watching them from a distance. When we try to be critical and ironic, the mask somehow alleviates it; it neutralises but is allowed to overdo it. Many of the masks in the show were made by the participants themselves. Each mask is specific, achieved by minimal artistic intervention on a simple form of mask, but this intervention gives it a certain character trait.

## STILSKE VJEŽBE EXERCISES IN STYLE

Lutkarski studio Učilišta Zagrebačkog kazališta mladih  
The Puppetry Studio of the Zagreb Youth Theatre

U Tekst Stilske vježbe Raymonda Queneaua bio je polazište kako bi se ono što je literarni i tematski neodređeno pokušalo odrediti medijem lutke, dajući si slobodu interpretacije. Oprezno se krenulo u lutkarsko-dramsku adaptaciju uz svijest da će uspjeha biti samo ako se da vlastiti,

autentični scenski prikaz, ne opterećujući se legendarnom zagrebačkom predstavom. Na kraju je nastala jedna otkačena, kolažna struktura u kojoj ovi mlađi ljudi lutkarstvo shvaćaju u širem smislu na način da je lutka čas dio tijela, ponekad predmet, u sljedećoj sceni maska, a ponekad video projekcija.

Raymond Queneau's Exercises in Style was the starting point for determining that which has literary and thematic ambiguity through the medium of the puppet while having the freedom of interpretation. Cautiously, we embarked on a puppetry-drama adaptation with the awareness that we would be successful only if we created our own authentic stage representation without burdening ourselves with the legendary Zagreb play. In the end, a wacky, collage-like structure was created in which these young people interpreted puppetry in a broader sense so that the puppet is a part of the body, sometimes an object, a mask in the next scene, and sometimes a video projection.

Fran Galović Elementary School's puppetry group

Lutkarska predstava o skromnom i hrabrom ježu koji je volio svoj dom. Iako se lijepo proveo kod lisice na ručku, jedva je čekao stići u svoj skromni dom, koji je, iako trošan, za njega bio najbolji na svijetu jer je bio samo njegov. U njemu se osjećao slobodno. Priča nam poručuje da trebamo gajiti čvrste osjećaje prema onome što imamo i prema svom domu, bez obzira na to kakav on bio.

Lutke su napravljene od kupaonskog pribora.

A puppetry play about a humble and brave hedgehog who loved his home. Although he had a nice time visiting the fox for lunch, he could not wait to return to his modest home, which, although dilapidated, was the best one in the world because it was his. He felt free in it. The story tells us that we should have strong feelings for what we have and for our home, no matter what it is like.

## PUPPETS ON THE BIG SCREEN

### Projekcija animiranih filmova 15. VAFI&RAFI festivala Screening of animated films from the 15 th VAFI&RAFI FESTIVAL

Festival VAFI pokrenut je 2010. godine zbog nedostatka festivala za djecu i mlade koji se ozbiljno bave stvaranjem animiranog filma. RAFI je svoje prvo izdanje imao 2018. godine, kada je festival organiziran u suradnji s Art-kinom.

Od 27. svibnja do 1. lipnja 2024. u Varaždinu je održano jubilarno 15. izdanje VAFI & RAFI – Međunarodnog festivala animiranog filma djece i mladih.

Na ovogodišnji festival prijavljena su 1133 animirana filma iz 92 zemlje. U sekciji VAFI bilo je 289 filmova, a u sekciji RAFI 844. Nakon detaljnog pregledavanja odabранa su 162 filma koja su ušla u službeni program festivala – ukupno 90 filmova u sekciji VAFI i 72 filma u sekciji RAFI.

Projeciramo petnaestak nagrađivanih animiranih filmova djece i mladih nastalih stop animacijom.

The VAFI festival was launched in 2010 due to the lack of specialised festivals for children and young people that take the creation of animated films seriously. RAFI had its first edition in 2018, when the festival was co-organised with Art-kino.

The jubilee 15th edition of VAFI & RAFI – International Festival of Animated Film of Children and Youth was held from 27 May to 1 June 2024 in Varaždin.

A record 1133 animated films from 92 countries were submitted to this year's festival. There were 289 films in the VAFI section and 844 in the RAFI section. After a detailed viewing, 162 films were selected and entered the festival's official program – a total of 90 films in the VAFI section and 72 films in the RAFI section.

We are projecting fifteen award-winning animated films of children and young people created by stop motion animation.

## IZLOŽBE EXHIBITION

### LUTKA, MASKA... PIF PUPPET, MASK... PIF

Istoimeni likovni natječaj koji ima za cilj poticanje dječje kreativnosti, želje za stvaranjem, kazališnom igrom i lutkarstvom, ove je godine raspisan jedanaesti put. Natječaj je namijenjen djeci dobi do četraest godina. Imajući u vidu činjenicu da djeci ne manjka mašte i kreativnosti, poveznica između djece i lutkarskog kazališta koje se predstavlja u okviru PIF-a nametnula se sama od sebe. Lutka je djetu najbolji prijatelj, a lutka koju dijete napravi više je od toga.

Na natječaj je stiglo 232 lutke i maske iz vrtića, škola, lutkarskih studija i individualnih radova. Svi pristigli uraci bit će izloženi i mogu se razgledati od 1. do 25. rujna, radim danima od 10.00 do 20.00 sati.

The art competition of the same name, which aims to encourage children's creativity, desire to create, play theater and puppetry, was announced for the eleventh time this year. The competition is intended for children up to the age of four. Bearing in mind the fact that children do not lack imagination and creativity, the connection between children and the puppet theater that is presented within the framework of PIF was imposed by itself. A doll is a child's best friend, and a doll made by a child is more than that.

The competition received 232 puppets and masks from kindergartens, schools, puppet studios and individual works. All received orders will be exhibited and can be viewed from September 1 to 25, I work on days from 10:00 h to 20.00 h

Samozatajna marioneta, najkompleksnija u obitelji kazališnih lutaka, pljeni kazališnim scenama više stotina godina. Uvijek raspoložena za gracioznost i vrckavu razigranost koju joj, više omogućavaju nego sputavaju konci, najlepšavije i najbogatije dočarava maramoneta. Kao što njezino ime nameće, najveći dio lutke čini marama ili rubac, dovoljno velik i lagan da lutka prosto pljeni svojom lakoćom i pokretljivošću. Vrlo jednostavna (sa svega četiri konca), zamamne fleksibilnosti i s puno mogućnosti, osvaja srce već prilikom izrade, a igra s njom je poput valcera. Na radionici se bavimo izradom maramonete na dva načina i usporedbom njihovih mogućnosti.

The mysterious marionette, the most complex puppet, has captured attention on the theatre stages for over one hundred years. Always in the mood for gracious and perky playfulness, which the strings enable more than hinder, conjured up in the richest and most flaunting way by the scarf marionette. As shown by the name, the biggest part of the puppet is a scarf or a shawl big and light enough for the puppet to captivate with its grace and span of movement. Simple puppet (with just four strings), seductive flexibility, and myriad possibilities; it captures the heart even in the creation stage while performing with it seems like dancing the waltz. In the workshop, making scarf marionettes in two ways we compare their possibilities.

### MICA MACA LUTKICA, lutkarska radionica za osobe treće dobi KITTY PUPPET, Puppetry Workshop for the Elderly

Jednostavna lutka od papirnate čaše i stiropor kuglice pruža mogućnost dobre zabave, kako prilikom izrade, tako i tijekom animacije. Materijal se može naći u svakom domu. Uz ideju da je lutkarstvo umjetnička a ne dobna kategorija, nekoliko godina unatrag realiziraju se radionice izrade lutaka s osobama treće dobi. Sa željom da pruži radost stvaranja starijim sugrađanima, radionica nudi opuštanje, dobru zabavu i osnovna znanja o lutkarstvu..

A simple hand puppet made from paper cup and styrofoam ball gives the opportunity to have a good time, both during the creation and during the animation. With the idea that puppetry is an artistic category, and not one related to age, a few years back, we have started to organize workshops with the elderly. With the desire to provide joy to the elderly, the workshop offers relaxation, good fun and the basic knowledge of puppetry.

## VESELI KLAUN, lutkarska radionica za djecu JOLLY CLOWN, Puppetry Workshop for Children

Veseli klaun je duhovita lutka sastavljena od papirnatih traka i stiropor kugle. Nasuprot svojoj jednostavnosti, kako materijala koji koristimo toliko i sklopa, animacijom daje izmine rezultate. Dopadljiv i duhovit, mami radost djece i odraslih.

The Jolly Clown is a funny stick puppet made of a styrofoam ball, and paper bands. In contrast to its simplicity, as much material as assembly, animation gives remarkable results. Lovable and likable, it attracts the joy of children and adults.

## TULJAK LUTKULJAK, lutkarska radionica za djecu CONE PUPPET, Puppetry Workshop for Children

Jednostavna štapna lutka kojoj se animiraju ruke i glava predmet je ove radionice. U sklopu radionice djeca oblikuju karton i papir spajajući ga u lutku koja može poslužiti za svakodnevnu kreativnu igru. Potičemo djecu na kreativno istraživanje i izražavanje kroz prevazišlaženje zadane forme učeći ih da je ljepota u različitosti.

A simple rod puppet whose arms and head are animated is the subject of this workshop. As part of the workshop, children shape cardboard and paper, joining it into a doll that can be used for everyday creative play. We encourage children to explore and express themselves creatively by overcoming the given form, teaching them that beauty is in diversity.

## PROMOCIJE KNJIGA BOOK PROMOTIONS

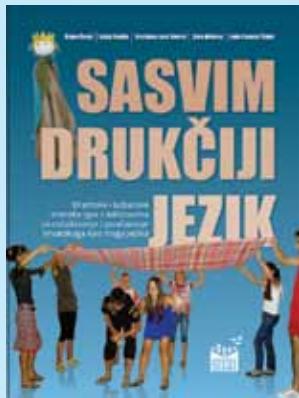

### Livija Kroflin: LUTKARSKA ČUDA SVIJETA Livija Kroflin: PUPPETRY WONDERS OF THE WORLD

Nakladnik: Akademija za umjetnost i kulturu Sveučilišta Josipa Jurja Strossmayera u Osijeku, Osijek, 2023.

Publisher: Academy of Arts and Culture, Josip Juraj Strossmayer University of Osijek, Osijek, 2023

Knjiga *Lutkarska čuda svijeta* daje sustavan pregled svjetskog lutkarstva. Na putovanje lutkarskim svjetom autorica kreće tamo gdje je vjerojatno sve i počelo – u Aziji, da bi produžila u Afriku, Amerike i Australiju, upoznajući nas s različitim, pokatkad i oprečnim, pogledima na lutkarstvo i lutku. Pritom nas upoznaje ne samo s osnovnim karakteristikama lutkarstva pojedine sredine, već i s vjerskim, filozofskim, društvenim i inim idejama koje leže u njihovoj srži, bitno drukčijoj od naših europskih shvaćanja. I to je jedna od velikih vrijednosti ove knjige – upućivanje na širinu, bogatstvo i različitosti lutkarstva što, pak, upućuje na raznolikost svijeta koji nas okružuje. Autorica lutkarskim čudima svijeta ne pristupa iz njihove perspektive, već iz one koju najbolje poznaje – naše, europske. To je sljedeća velika vrijednost ove knjige – čitanje neeuropskog lutkarstva europskim naočalamama u isto nam vrijeme daje uvid u svjetska lutkarska čuda i komparaciju s našim europskim čudima, omogućujući nam da paralelno upoznajemo azijsko, afričko, australasko i američka lutkarstva, ali i bolje shvatimo svoje europsko lutkarstvo, njegovu malenost i u njoj silnu veličinu. Još jedna vrijednost jest činjenica da je autorica prikupila golemu količinu reprezentativnog lutkarskog, teatrološkog, povijesnog, filozofskog, društvenog i geografskog materijala, pretočivši ga u jasan, razumljiv i pregledan tekst koji pristupa čitatelju intimno, osobnim anegdotama, zanimljivim stiklecima i duhovitim minijaturama. Tom pitkom bliskošću tekstu se lakoćom uvlači pod kožu čitatelja.

The book *Puppetry Wonders of the World* gives a systematic overview of world puppetry. The author embarks on a journey through the puppet world in a place where it probably all began –Asia, and then continues to Africa, the Americas and Australia, introducing us to different, sometimes contradictory, views on puppetry and the puppet. In doing so, she introduces us not only to the basic characteristics of puppetry of a particular place but also to the religious, philosophical, social and other ideas that lie at their core, which are significantly different from our European interpretations. And this is one of the great values of this book – pointing out the breadth, richness and diversity of puppetry, which, in turn, shows the diversity of the world around us. The author does not approach the puppetry wonders of the world from their perspective but from the one she knows best – our own European perspective. This is the next great value of this book – reading non-European puppetry with European glasses at the same time gives us an insight into the world's puppetry wonders and enables a comparison with our European wonders, allowing us to learn about Asian, African, Australian and American puppetry in parallel, but also to better understand our European puppetry, its smallness and immense grandeur. Another value is that the author has created a vast collection of representative puppetry, theatrical, historical, philosophical, social and geographical material, turning it into a clear, understandable and transparent text that intimately addresses the reader with personal anecdotes, interesting bits and witty miniatures. Thanks to this ease of intimacy, the text easily gets under the reader's skin.

Nakladnik: Hrvatska matica iseljenika, Zagreb, 2023.

Publisher: Croatian Heritage Foundation, Zagreb, 2023

Knjiga *Sasvim drukčiji jezik – Dramske i lutkarske scenske igre s tekstovima za ovladavanje i poučavanje hrvatskoga kao inoga jezika* u izdanju Hrvatske matice iseljenika je priručnik o neformalnim oblicima poučavanja i ovladavanja hrvatskim kao inim jezikom. Budući da također sadrži dramske i lutkarske scenske igre, osim svoje primarne namjene, on donosi saznanja koja su općenito primjenjiva u području lutkarske i dramske pedagogije. Uz kombinaciju teorijskog i praktičnog pristupa ovim temama, knjiga sadrži i izbor od 40 igrokaza nastalih u Matičinoj Maloj školi hrvatskoga jezika i kulture namijenjenih hrvatskoj nastavi u inozemstvu, pripremnoj nastavi hrvatskoga jezika u Hrvatskoj, redovitoj nastavi hrvatskoga jezika kao i lutkarskim i dramskim skupinama. Priručnik je i višefunkcionalan jer su igre, vježbe i tehnike navedene u tekstovima posebno označene i povezane s pojmovnikom i QR kodom koji vodi na zasebnu mrežnu stranicu s objašnjnjima. Autorice su Diana Čosić, Livija Kroflin, Grozdana Lajić Horvat, Sara Milavec i Lada Kanajet Šimić. Knjigu su recenzirale prof. dr. sc. Lidija Cvikić, prof. dr. sc. Tamara Turza-Bogdan i izv. prof. dr. sc. Teodora Vigato.

Knjiga ima i svoju englesku inačicu s igrokazima na hrvatskome jeziku.

The book *An Entirely Different Language – Drama and Puppetry Plays with Scripts for Learning and Teaching Croatian as a Second and Heritage Language*, published by the Croatian Heritage Foundation, is a manual on informal forms of teaching and mastering Croatian as a foreign language. Since it also contains drama and puppetry stage games, in addition to its primary purpose, it brings knowledge that is generally applicable in the field of puppetry and drama pedagogy. In addition to a combination of theoretical and practical approaches to these topics, the book also contains a selection of 40 plays created at the Foundation's Little School of Croatian Language and Culture intended for Croatian language classes abroad, preparatory Croatian language classes in Croatia, regular Croatian language classes as well as puppet and drama groups. The manual is also multifunctional because the games, exercises and techniques listed in the texts are specifically marked and linked to a glossary and QR code that leads to a separate website with explanations. The authors are Diana Čosić, Livija Kroflin, Grozdana Lajić Horvat, Sara Milavec and Lada Kanajet Šimić. The book was reviewed by prof. Lidija Cvikić, PhD, prof. Tamara Turza-Bogdan, PhD and associate professor Teodora Vigato, PhD. The book is also available in English, with plays in Croatian.
